

A Naramata Bench Estate Winery

# Howling Bluff

## 2006 Sin Cera

Made from vines that were low cropped, hand tended, and grown on the Naramata bench at Summa Quies Vineyard. This full-bodied and concentrated Merlot is full of ripe cherry, blackberry and other black fruit flavors, with flecks of licorice, tobacco and cedar. The palate is rich and complex, with a tannic structure that will benefit from long term cellaring, although it is perfect right now with grilled meats. 135 cases produced. \$33.40 Bottle

## 2006 Pinot Noir

This rich, elegant and textured wine was made from grapes on the Naramata bench at Summa Quies Vineyard. Look for flavours and aromas of cherry, strawberry and rhubarb with hints of hay and leather. The palate is velvety, with fine grain tannins and enough acidity to stand up to rich foods. 120 cases produced \$29.60 Bottle

## 2008 Sauvignon Blanc

Made from grapes grown on the Naramata Bench at our Summa Quies Vineyard, we used stainless steel fermentation with an additional 675 litres aged for 2 months in French oak to produce this wine. This wine shows true varietal aromas of guava and passion fruit intermingled with citrus fruits and tomato leaves with a slight earthy, mineral characteristic. The palate is fresh and crisp with good length with beautiful balance. Partial barrel fermentation with lees stirring has added further complexity, enjoyable now but will reward cellaring up to five years. 251 cases produced. \$18.99 Bottle
