

A Naramata Bench Estate Winery

# Howling Bluff

## 2007 PINOT NOIR

The follow-on from the Lieutenant Governor's Award of Excellence winning 2006 vintage and again 100% sourced from Howling Bluff's Summa Quies Estate Vineyard in Naramata. The nose is a beautiful combination of ripe strawberry and cherry with notes of sweet spice, chocolate, coffee, vanilla and orange zest. The palate is seductively silky in texture and shows vanilla, cherry, raspberry, orange zest and more sweet baking spice. The finish lingers long on the palate and the wine continues to evolve and develop complexity in the glass. Perfect to pair with richer meat dishes, braised dishes and venison. Drink 2009 - 2017. \$29.60 Bottle

## 2007 SIN CERA

100% sourced from low cropped vines at Howling Bluff's Summa Quies Estate Vineyard in Naramata, this Meritage style blend is rich and structured. Dominated by Merlot (72% Merlot, 15% Cabernet Franc, 13% Malbec) the wine shows intense plum, black cherry and coffee with further complex flavours and aromas of cassis, clove, cinnamon, pepper and chocolate. The finish is long and complex with concentrated flavours that both linger and evolve. Built for ageing, this wine has ripe, fine-grained tannins that will reward 6-12 years in the cellar, or decanting to drink now. Pair to grilled meats and roast leg of lamb. \$33.40 Bottle
